

Fifth COVID-19 Case Identified in Delta County

For Immediate Release:

June 28, 2020, 8:30 PM, CST

The Delta County Office of Emergency Management and the Delta County Local Health Authority (LHA) were informed by the Texas Department of State Health Services (DSHS) earlier this evening that a resident of Delta County has tested positive for COVID-19. The DSHS and the LHA are taking all necessary actions in response to this matter and will be handling this case moving forward. As of today, Delta County has a total of 5 positive COVID-19 cases, including this case, with three active cases, zero deaths, and two recoveries.

Please continue to adhere to the recommendations of the CDC, the Office of Governor Greg Abbott, and the Texas Department of State Health Services (DSHS).
